

Junior Golf Program

Our 6-week junior golf program is an opportunity for children to continue their education and abilities in the game of golf. 4 weeks will consist of instruction and 2 weeks will consist of on course play. Throughout the course of the program, we will not only learn the fundamentals of the golf swing, but also participate in developmentally appropriate activities that emphasize motor and foundational skill development.

Golf can be a dangerous sport, and although the staff at Pioneer Pointe will do their best to create the safest environment possible, accidents can happen. Pioneer Pointe will have staff on the golf and practice areas monitoring the junior program, however it is the parents who remain responsible for the well-being of their children while at Pioneer Pointe. Parents are encouraged to accompany their children on the golf course and at the practice areas. As the parent of the minor listed above, I acknowledge that my child's welfare is my responsibility and release Pioneer Pointe and its employees from any and all liability.
